[Fourth Response to Sept. 7 Information Request.pdf](#)

Mr. Murdock,

Attached is the fourth response to the September 7 Information Request submitted to Arkema Inc. regarding the Arkema Crosby facility. Because this is a short response, I am sending this directly instead of via the external sharefile site we have used previously. This response does not contain any Arkema confidential business information.

This response addresses the requests for clarification of and elaboration on a number of items that Cheryl Seager posed in her September 29, 2017 letter to JeanMarie Cencetti of Arkema. With this submission, Arkema believes that it has now responded completely to all of the questions in the September 7 Information Request.

Please let me know if you have any questions.

Chris
